Vilmorin & Cie, the 4th largest seed company in the world, develops vegetable and field seeds with high added value, contributing to meeting global food requirements.

A multi-crop seed company, every year Vilmorin & Cie brings around 300 new varieties to market to meet the needs of all diverse types of agriculture and allow farmers to produce better and produce more.

Accompanied by its reference shareholder Limagrain, both an agricultural cooperative owned by French farmers and an international seed group, Vilmorin & Cie's strategy for growth relies on research and international development to durably strengthen its market shares on resilient world markets.

True, since its origins in 1743, to its vision of sustainable development, Vilmorin & Cie ensures its achievements fully respect its three founding values: progress, perseverance and cooperation.
